MONETARY AND COMMERCIAL.

Business during the week has been only fairly active, and grain is just beginning again to move, new wheat coming in as freely as could yet be expected. In money matters there is nothing new. There has been a considerable demand from the country, for harvest purposes, but beyond that we hear of no special enquiry, and the banks are meeting all legitimate demands. Money in New York is in good supply at 4.5 per cent to ordinary Stock Exchange borrowers, and at 21 per cent on government bond colluterals. Mercantile paper is quoted at 35 to 5 per cent for trime names. The Baltimore money market is without change, there be. ing an ample supply and limited demand Government bonds are in moderate demand, the 4 per cents selling at 102 State securities are quiet but firm, Virginia consols selling at 552. 557:56, the latter for small bonds. The new 10-4)) were firmer, \$2 000 selling at 407. Past due coupons sold at 761a77. Rail oad securities are quiet. Orange, Alexandria and Manassas 7were lower, selling at £9\$159. For C. & A. bonds there was a wide range between the views of buyers and sellers. We quote local chares me follows:

HABFAS CORPUS - Laura Herbert of New York sued cut a write of hebeas corpus before Judge Stuart of the Corporation Court this morning, against Victoria Mills, for the custody of her daughter, known as Mary Rice, eleven years of age. It sppeared, on the hearing, that the child

had been placed in the charge of the respondeat, by its mother, at the age of one and aboli years and his been taken care of by her OFF FILC :. The writ was resisted by Mrs. Mills on the

grounds that the plaintiff was a bad character, and not a mitable custedian for the child, and that she had no visible means of support and was unable to maintain it. It was shown that the respondent was mar-

ried to Clarence Mills, and Judge Stuart holding that the writ should be against both busband and wife as joint custodians of the child, dism'ssed it.

Another writ against both parties was at ones sued out and will be heard on Saturday. All of the parties were present at the hearing and the mother, who was accopanied by another

were injured by a rubaway accident at Loanacoulng, on Monday, are doing well. Judge James Keith was taken auddenly ill at his lodgings at the Tontine House, last evening, and had to be conveyed to his room, where he received medical attention. The Judge had been suffering from a threatened attack of sucstrcke during Tuesday, and it is supposed that the heat of the court room yesterday brought on last night's attack. He was well enough to

go home on the Midland train this morning. CANAL NEWS -The following items of inerest to estal men are from the Cumberland l'imer:

During the month of June past 572 canal mats cleared at this peri, carrying 64 246 09 consoficial, and 158 togs of miscellaneous mer-

chandise. The conal telegraph is still progressing rapidly, the party being now this side of Oldtown. The steam pump at Patterson creek is still in operation. The recent rain made but a slight

ise in the waters of the creek and river. The company have an excellent dredge boat on the lower end of the canal, which is now engaged in cleaning the bottom. The canal is clean forty miles up, where the dredge is now at work.

COMPLAINT ENTERED .- For some time past both the river men and the residents of the lower part of the city have been making constant complains of the dumping of the mud-dredged from the Washington channel in the river at a point near Fort Foote. The practice not only tends to fill up the channel but spreads a most disagreeable oder for some distance around. The attention of the municipal authorities has been called to the matter, but they were powerless to act, the nuisance being created in waters controlled by the State of Maryland. Mayor Smith, however, has now written to the U. S. Attorney for Maryland complaining of the nuisares and asking that measures be taken for its abatement.

CORPORATION COURT.-The regular July term of the Corporation Court will be opened on Monday next, when Judge Charles E. Stuart will preside for the first time.
